HEALTH SYSTEM'S**

**JAG Imaging Scholarship**

**2024 Radiology Technologist  
Application**

## ATLANTIC GENERAL HOSPITAL/HEALTH SYSTEM'S

### PURPOSE

Atlantic General Hospital/Health System has developed the **Radiologic Technologist** to offer assistance with tuition, health care benefits, and flexible work schedules to an applicant who wishes to pursue a career in Radiology. The individual would, in return, work in our facility as a Radiology Technologist upon completion of the program.

### DESCRIPTION

The Scholarship Program provides fully paid tuition and required course books towards a degree in Radiology for selected persons. It also provides health care benefits to the individual (and family if necessary) at no charge. This program requires the scholarship recipient to work a flexible work schedule while maintaining full-time status in the Radiologic Technologist program. Upon successful completion of the program and national board exam, the Radiology Technologist agrees to work full time at Atlantic General Hospital for a specified time period.

### PROCESS

#### Selection of Candidates based upon:

1. Completed scholarship application
2. Answers to essay questions.
3. Two references by current or former employers or educators who can attest to the applicant's character, motivation, and work ethic. References by employers are preferred.
4. Panel interview with committee members. Participants of the committee include:
  - a. Human Resources
  - b. Education
  - c. Imaging/Ultrasound staff
5. Time frame for completion of Radiologic Technology program.

#### Requirements of Selected Candidates:

1. Acceptance in an educational program pursuing a degree in Radiology at the time the scholarship is awarded.
2. Work at AGH a minimum of 12.5 hours a week and maintain full-time status in the Radiology program.
3. Upon successful completion of the Radiology Technologist program, passing the national board exam, and receiving their state license, the candidate will work full-time for one year for each year in the scholarship program. The Radiology Technologist's schedule will be based on the needs of the hospital, which will include rotating days, nights, weekends, and holidays.
4. Repay all expenses incurred by Atlantic General Hospital in the event the candidate does not complete the educational program for any reason, does not meet work commitments, or is terminated for any reason. In addition, responsible to pay all attorneys' fees and court costs which are the result of failure to pay the balance owed, when due.
5. Participate in a defined mentoring program.

**Responsibility of Atlantic General Hospital to Candidate:**

1. Pay all tuition and books in full at the beginning of courses.
2. Provide candidate with health care benefits at no cost.
3. Provide a flexible work schedule in the Hospital/Health System.
4. Provide employment as a Radiologic Technologist if available, upon the candidate obtaining licensure.

## **DIRECTIONS FOR COMPLETING THE APPLICATION TO RADIOLOGIC TECHNOLOGIST SCHOLARSHIP PROGRAM**

1. Answer the seven questions that are included with the application packet. Answers should be typed, single spaced and be no more than one to two paragraphs. **Please re-state the question at the beginning of each answer.**
2. Provide two references. Two reference forms are included for distribution. Give the reference form to two current or former employers or educators who can provide relevant information about your character. Employers are the preferred source of recommendations. **The reference forms must be returned to Human Resources, Atlantic General Hospital, 9733 Healthway Drive, Berlin, MD 21811.**
3. Return the completed application packet to Human Resources, Atlantic General Hospital, 9733 Healthway Drive, Berlin, MD 21811.

**PLEASE RESPOND TO EACH OF THE FOLLOWING QUESTIONS ON A SEPARATE SHEET**

1. What does professionalism mean to you and provide examples of how you display professionalism? Explain why professionalism is critical to any job in the healthcare setting.
2. Define what it means to be a “team player” and include an example of a time in your life when you have been a team member.
3. Describe how you will plan to meet the multiple demands of school, work, and personal obligations during your pursuit of a career in ultrasound.
4. Discuss three of your strengths and two areas in which you feel that you need to improve.
5. What has influenced your decision to pursue a career in ultrasound?
6. What makes you believe that you should be selected as a recipient of this scholarship?
7. Briefly describe a work or personal situation that drives your passion and commitment to healthcare.
